

To God The Greatest and Best

To Giovanni Battista D'Aste, the son of Baron Silvio
d'Aste and Anna Lenguelia, of the noble town of
Acerno

He was a distinguished man, devoted to the Mother
of God, marked out for purification at the time of his
birth. He was the Founder of this Sanctuary in 1634,
the 74th year of his life.

His son Francisco Bonaventura d'Aste, a member of
the Equestrian Order, and his grandson Maurice
d'Aste, his heirs, set this up in memory of their father
and grandfather in 1643.
